

Scholarships for Italian Americans

A free directory of college scholarships for Italian American students is now available through the Calandra Italian American Institute. The 48-page handbook provides information about eligibility, scholarship amounts, deadlines, and other important information. It also includes contact information for each scholarship.

It is organized in three sections: scholarships for students of Italian descent; state-based scholarships, awarded to students based on residency or college location as well as Italian descent; and scholarships for any student of Italian studies, regardless of heritage. To download, go to:
